## NEWS

### 2019 PLANNING

As previously stated, it is coming to that time of the year where we start to look at our plan for 2019. If your child will not be returning to Moriac PS in 2019 could you please let our administration staff know.

### FOOTBALL CLINICS DURING PHYS ED

For the last two weeks students have participated in Football clinics run by an accredited AFL Barwon Coach. From all reports the students have loved them! Thanks to Mrs Edwards for organising these sessions.

### MODDA DAY

What a terrific turnout by students in their Modewarre club colours last Friday. It just shows you the impact that sporting clubs have on small community townships. We believe we were the good luck charm that brought the Warriors their Senior Premierships in both the football and netball divisions :)

### INDIGENOUS DAY

On Monday our students participated in an Indigenous Cultural Immersion Day. They completed various activities within mixed-aged groupings including Cooking, Sports and Art & Craft. These Immersion days have been a hit throughout this year and I'm sure that Monday was again a brilliant day had by all involved.

### BIKE ED

Just a reminder that we have had a change of date to Bike Education for Year 4 students. This will now take place in Term 4. More information to be sent out closer to the date.

### DIVISION ATHLETICS

Well done to those selected students who represented Moriac PS at Tuesday's Bellarine & North Geelong Division Athletics Competition. Congratulations to Oscar W and Esme C who placed third and second in their respective Shot Put events. Esme will now represent Moriac in the Regional Athletics event which is scheduled for later in the year.

### DISCO

Tonight our Parents & Friends will be hosting the annual Student Disco in our Multi Purpose Room from 6-8PM, with this year being a Beach Theme. They have done a magnificent job organising it all. It looks unreal and the kids are bound to have a great time. Photos to come.

### PARENT / TEACHER INTERVIEWS

Thanks to all those parents that attended Parent / Teacher Interviews over the last fortnight. It is always a fantastic way for us to be able to share progress about your child's learning, but also ensures we are continually working to strengthen our school and home partnerships which is integral to achieving positive student learning outcomes.

### PROFESSIONAL PRACTICE DAYS

As part of the Victorian Government's push to strengthen the development of Teacher's, all teachers across the state have one day per term away from their scheduled duties to focus on improving their delivery of high quality teaching. Throughout next week our teachers will be having their Professional Practice Days. During this time there will be no interruptions to classroom Specialists times and our teachers will be covered by our regular Relief Teachers who are already familiar to our students.

### MORIAC'S GOT TALENT

Next Monday students will be participating and / or watching on as part of the student-led 'Moriac's Got Talent'. Parents are invited to come along to the Multi Purpose Room and watch on from 11.30am - 1.30pm. Good luck to all those who are getting up to perform in front of the school.
